### Message from Mrs Fielding

It has been an absolute pleasure to see how industrious and purposeful school has been this week. Children have been immersed in their learning and it is clear to see great progress being made. The enrichment and tuition sessions have provided an extra dimension to the school day to enhance children's learning experiences and make even more progress. I would like to take this opportunity to thank parents and carers for working in partnership with us to support children's learning and to ensure their emotional wellbeing. Throughout this period, we all continue to strive to make sure that every child can continue to enjoy school, learn and achieve their best.

### School Photos

We are delighted that school photos can go ahead this year. Tempest photography will be in school on the 12<sup>th</sup> October from 8.30am. In order to preserve the bubbles, only individual photos will be taken this year and we will not be able to have sibling photos (including pre-school children). Our photographers will maintain a social distance and will wear the appropriate PPE.

Tempest photography provide stunning, high quality portraits so we are thrilled to have this available to our families this term.

### **Parent Governor Election**

Please find attached further information regarding the **Election of a Parent Governor**. Nominations are to be returned by **Friday 9th Oct 2020**. We have opted for an electronic system to support the school's COVID-19 control measures. However, we are more than happy to provide a hard copy pack upon request.

### **Roof replacement work**

Work is continuing on the roof replacement on the junior site. This is going well and causing no disruption to learning or playtimes. Please note that the contractors will continue to work over the weekends in order to complete the work in the shortest possible timeframe. This will mean that the playground will not be available for parking at weekends for swimming lessons as contractors will need access to the playground for vehicles and equipment. Thank you for your understanding.

### **Parking at drop off and collection times**

Please could parents ensure that they park considerately at pick up and drop off times. We have received communication from local residents that there are instances where vehicle engines are left running and music is playing in cars whilst parents wait for children. We would kindly ask that you switch off your engine when waiting outside school. We can all work together to minimise air and noise pollution in our local community. Many thanks.

### **Attendance**

This weeks' school attendance is 98.11% (98.51% Year to Date). Current government guidance is that school is mandatory, therefore the same rules and expectations apply. Thank you to parents and carers for ensuring that their child arrives on time and attends school regularly. Good attendance will help us support your child's well-being and make up for any lost learning last term.

### **Joining PACT**

Parents And Carers Together (PACT) work hard to support the school with fundraising. Without their fantastic work, we would not have been able to make purchases such as the television screens, the stage, vital maths and EYFS resources and lockers for Key Stage 1. Thank you! If you would like to join PACT, please contact Rachel Saunders at [myrtlemoo1310@googlemail.com](mailto:myrtlemoo1310@googlemail.com)

### **Music Tuition**

We are delighted to be able to offer music tuition once again in school. This will be available for children in Key Stage 2 (years 3-6). Tuition is available for the following instruments: Piano, brass, guitar, percussion, strings and flute. Please contact school if you would like any further information.

### This week in school

We've been learning about favourite sports in French, about anti-bullying in PSHE and about Roman mosaic design in art. In RE we've been making Menorahs. Year 3 children have written some super Stone Age diaries and created 'trust' obstacle courses in PE. The early years children have been very busy in the woodwork area, while in Year 1 and 2, a troll seems to be on the loose...please let us know if you see it!
