Message from Mrs Fielding

Dear Parents / Carers,

I hope this newsletter finds your family safe and well.

The Admin Team and myself have been settling into the recently refurbished School House on Church Road. Whilst I am not so keen on navigating the stairs throughout the day, the new space does have many advantages.

One of the biggest advantages is that it offers a wonderful vantage point to see pupils enjoying their breaks and lunchtimes with their friends. Break times provide both pupils and adults with a much needed opportunity to recharge between learning sessions. Playtime is a crucial part of a child's emotional, social, and physical development. It is about much more than having fun, play stimulates the imagination and encourages creativity.

Another advantage is that I am able to see parents and carers dropping off and collecting their children - the reassuring last hug, whilst saying goodbye, and the joy on a child's face when they spot their grown up in the playground at the end of the day is priceless.

In these challenging times, such moments provide comfort and reassurance and they remind me of importance of friendship and family.

Have a lovely weekend.

Mrs Fielding

Class Bubbles

Class bubbles continue to work incredibly well. This arrangement means that fewer pupils and adults are mixing. In turn, this reduces the risk of any potential infection and the need to collapse multiple classes and large groups of pupils self-isolating at any one time.

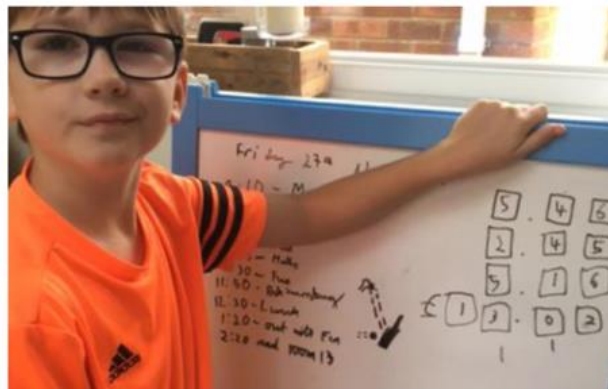

However, remote Learning plans are in place if pupils do need to self-isolate, as was the case this week. We hope that families that have been impacted are all safe and well and we very much look forward to welcoming them back next Friday!

Home Learning

Mr Parkinson will have created 32 lessons for his class through the My Learning Platform and via the Class email by the time his pupils return to school next week. We have been so impressed by our Y5 and 6 pupils' exceptionally high levels of engagement in their first block of remote learning. We are grateful Mr Parkinson and other colleagues, for the quality of planning for those pupils affected and facilitating distance learning when needed.

Thank you to parents/carers for not only supporting their child/ren with their education at home but also your feedback. This information is invaluable as we develop our remote education offering.

J has had a lovely time doing his street art during today's learning at home. A design of outside of a music shop.

A is loving the tasks set. The online learning platform and your videos make the homeschooling so much easier this time round. Thank you so much.
Kind regards

Evening Mr P,

Thanks for sending these through and for all your efforts to keep the class engaged and learning effectively during their time away.

L's been thoroughly enjoying the online classes and has been very good at structuring her time and proactively cracking on with the work... we are very proud of her.

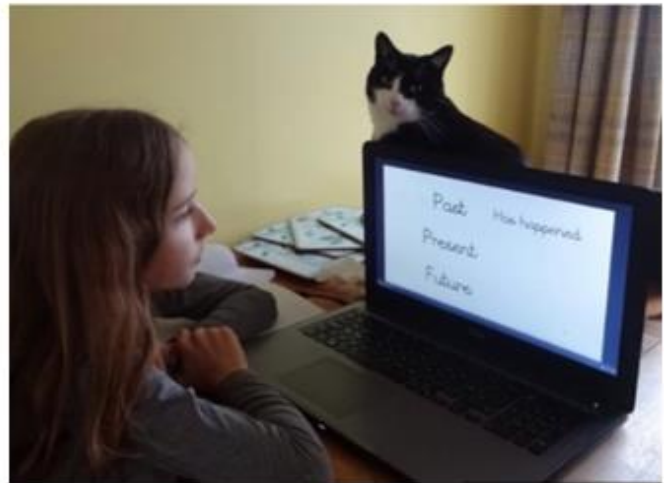

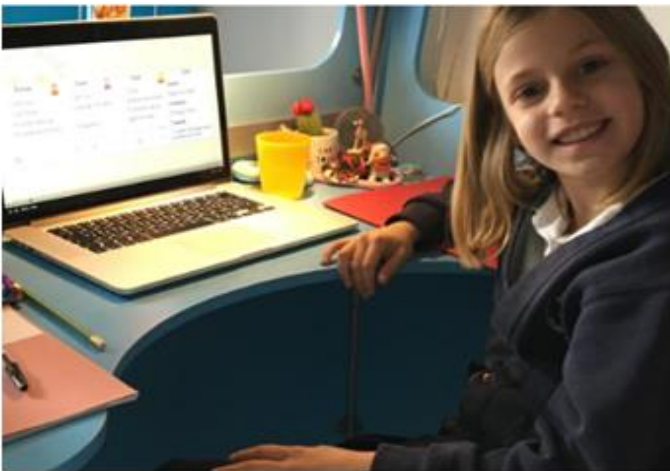

She even gets into her school uniform after breakfast and brushes her teeth each morning so as not to disrupt her normal routine. Can't fault that!

She was straight onto me when I walked through the door this evening to fill me in on what she's been doing and to give me the latest on Room 13 (which I remember being thoroughly creeped out by two when I was in year five at Poppleton nearly 30 years ago!).

Dear Mr P,

Thanks for all the work you have produced for the children. My Learning is working well - A had already seen it a little before as J had to isolate for the first time before half term. The tasks have kept A Busy today and she enjoyed hearing your voice, which I think makes a huge difference from some generic lesson! I know you are busy but if there are any extra maths tasks she can do, please let me know, as she was through the maths today. I could find her something, but it carries more weight if it's from you!

Hope you are okay and keeping well.

Remote Learning Parent Feedback continued

Hi Mr P,

Just wanted to let you know that E has been following your videos and done all of the activities. We have really enjoyed listening to Room 13 as well. They are great videos, well done.

Thanks

Hi Mr P,

Just to say the online lessons were great. F enjoy doing them all and the only thing he needed a little help with was the maths.

It felt like the right amount of learning the ready and was great that he could just get on and didn't need me too much while I was working.

Thank you!

We are in and J is happy to hear your voice.

Thank you so much for being such a brilliant teacher.

Hopefully you won't hear from me now and I will run smoothly ha ha. Have a great day.

Hi Mr P,

Just to say thank you for all the email update and hard work that's going into the online lessons.

R is trying hard with all the work set and loves the book each day.

Many thanks

My Learning lessons can also be viewed on smart phones

Y1 – Y6 Parent/Carer Consultations Tue 1st & Thurs 3rd December 2020

All parents and carers should now have received an email from class teachers re consultations next week. Fingers crossed the video appointments via Microsoft Teams go well. Please remember to have your phone handy. If for any reason there is a technical issue class teachers will contact you from a withheld number at your allocated time using the number you have provided.

If you requested a telephone call at a later date, class teachers will be in touch soon. Thank you for your support and working in partnership with us!

Virtual Cross Country Event

Over the next few weeks, children across both Key Stage 1 and 2 will be taking part in the School Sports Partnership Virtual Cross-Country event. Each child will have 3 attempts to set their personal best around varying distances depending on their year group. The distances this year range from 400m to 1400m. We look forward to seeing all pupils striving to achieve their best. Happy running!

Christmas Dinner

Our Christmas dinner this year is on Thursday 10th December. If your child normally brings a pack-up, but would like a school meal on this day, please let us know. There will be no jacket potato option on this day. If your child has a school meal every day there is no need to let us know as they will automatically be included in this. Thank you.

Christmas Jumper Day

Time to dig out those wacky jumpers! We will also be having our Christmas Jumper Day on Thursday 10th December.

A reminder to parents will also be sent nearer the time.

1066 club

Please note that this year holiday club will be operating on the training day **only, Monday 4th January 2021**.

If you require a place for your child on 4th January please could you email

kellyjerrold@stamfordbridgeschool.co.uk or ring / text 1066club on 07743903716 by Wed 9 December.
