

STAMFORD BRIDGE PRIMARY SCHOOL

NURSERY PROSPECTUS

Welcome to Stamford Bridge Primary School Nursery forming part of the Infant School at the heart of the village in Stamford Bridge.

Proud to be a significant part in your child's early years education lasting a lifetime. We nurture and inspire every child in our Nursery, respecting each unique individual as they are and supporting them to achieve all that they can.

We believe that every child in our community matters. Experienced and dedicated staff are welcoming, friendly, thoughtful and supportive. Through positive relationships with children and families, we provide a secure, safe environment where confidence and self-esteem are fostered. Every child will be encouraged to explore, imagine, create, think, discover and achieve the foundations for future independence, forming positive relationships and engaged learning.

Applications to join our nursery are welcome for children from the age of 3. Please see below on how to apply.
